

ORGANIZATIONAL DESCRIPTIONS: MEMBERS

ALLIANCE FOR CHILDREN AND FAMILIES [ACF]

1001 Connecticut Avenue, NW, Suite 601, Washington, DC 20036

PHONE: 202/429-0400; FAX: 202/429-0178

WEB SITE: www.alliance1.org

Peter Goldberg, President and CEO

Founding Date: Family Service America (1911) and the National Association of Homes and Services for Children (1975) merged in 1998 to form the Alliance for Children and Families. **Membership Size:** 370 agencies. **Publications:** The Alliance for Children and Families Magazine; Alliance E-News; electronic digests. **Staff Participating in MHLG:** Patrick Lester, Senior Vice President for Public Policy; Rebecca Farley, Policy Analyst.

Organizational Purpose: The Alliance advocates for children, families and the organizations that serve them to foster community-supportive policies. The Alliance provides advocacy, research, leadership development, public information, training and agency support. **Description:** International nonprofit association of 340 private not-for-profit child- and family-serving agencies operating in the 50 states, Washington, DC, and Canada. Alliance members serve more than 5 million families annually in more than 6,000 communities. The Alliance's mission is to strengthen members' capacity to serve and advocate for children, families and communities and its vision is a healthy society and strong communities for children and families. **Priority Issues for 2009:** In the area of behavioral health, supporting policies that make it financially feasible for families with children with mental health needs to stay together and rely on home- and community-based services; Supporting mental health and substance use parity; Supporting tuition subsidies for students entering the field of child and adolescent mental health or other nonprofit human services fields; Opposing funding cuts for substance use prevention and treatment, particularly for individuals with mental illness and children in the child welfare system.

AMERICAN ACADEMY OF CHILD AND ADOLESCENT PSYCHIATRY [AACAP]

3615 Wisconsin Avenue, NW, Washington, DC 20016-3007

PHONE: 202/966-7300; FAX: 202/966-1944;

WEB SITE: www.aacap.org

Virginia Q. Anthony, Executive Director

Founding Date: 1953. **Membership Size:** 8000. **Staff Size:** 35. **Number of State/Local Chapters:** 57. **Affiliated Organizations:** Regional organizations of child and adolescent psychiatry. **Annual Convention/Meeting:** October 28-November 2, 2008, in Chicago, IL. **Publications:** Journal of the American Academy of Child and Adolescent Psychiatry; AACAP News. **Staff Participating in MHLG:** Kristin K. Ptakowski, Director of Government Affairs and Clinical Practice; Alec Stone, Assistant Director of Federal Government Affairs; Pat Jones, Legislative Assistant.

Organizational Purpose: To coordinate activities surrounding membership's research and treatment of psychiatric disorders of children, adolescents and their families. **Description:** Membership organization for child and adolescent psychiatrists. **Priority Issues for 2009:** Increasing access to treatment for children and adolescents with mental illness; Parity; Addressing the national shortage of

child and adolescent psychiatrists; Ending child custody relinquishment for mental health treatment; Increasing research into child and adolescent disorders; Related children's issues.

AMERICAN ASSOCIATION FOR GERIATRIC PSYCHIATRY [AAGP]

7910 Woodmont Avenue, Suite 1050, Bethesda, MD 20814

PHONE: 301/654-7850; FAX: 301/654-4137

WEB SITE: www.AAGPonline.org

Christine M. deVries, Chief Executive Officer; Charles F. Reynolds, III, MD, President

Founding Date: 1978. **Membership Size:** 2,000. **Staff Size:** 13. **Affiliated Organizations:** Geriatric Mental Health Foundation. **Annual Convention/Meeting:** March 5-8, 2009, in Savannah, GA. **Publications:** American Journal of Geriatric Psychiatry; Geriatric Psychiatry News. **Staff Participating in MHLG:** Marjorie Vanderbilt, Director, Government Affairs; Stephanie Reed, Associate Director, Government Affairs.

Organizational Purpose: AAGP is a national association representing and serving its members and the field of geriatric psychiatry. It is dedicated to promoting the mental health and well being of older people and improving the care of those with late life mental disorders. **Description:** AAGP members have been certified in the subspecialty of geriatric psychiatry. About half of AAGP's members are involved in research and hold academic positions. AAGP has the infrastructure that one would expect in a national association (e.g., departments of education, government affairs, communications, finance, etc.). **Priority Issues for 2009:** The Positive Aging Act; Medicare physician reimbursement issues; Legislation to extend the National Health Corps Loan Repayment Program for geriatric training; Federal funding for geriatric mental health research and services programs and for Title VII Geriatric Health Professions Education programs; Mental health services in nursing homes; Long-term care; Patient protection.

AMERICAN ASSOCIATION FOR MARRIAGE AND FAMILY THERAPY [AAMFT]

112 South Alfred Street, Alexandria, VA 22314

PHONE: 703/838-9808; FAX: 703/838-9805

WEB SITE: www.aamft.org

Michael Bowers, Executive Director

Founding Date: 1942. **Membership Size:** 26,000. **Staff Size:** 30. **Number of State/Local Chapters:** 54. **Affiliated Organizations:** AAMFT Research & Education Foundation, state and provincial divisions, Commission on Accreditation for Marriage and Family Therapy Education. **Annual Convention/Meeting:** 67th AAMFT Annual Conference, October 1-4, 2009, in Sacramento, CA. **Publications:** Family Therapy Magazine; Journal of Marital and Family Therapy. **Staff Participating in MHLG:** Tracy Todd, PhD, Director, Professional and Public Affairs; Brian Rasmussen, PhD, Government Affairs Manager; Melissa Stamps, Government Affairs Manager.

Organizational Purpose: To represent the professional interests of marriage and family therapists, to facilitate research, theory development and education in the field of marriage and family therapy, and to develop standards for graduate education and training, approved supervision, professional ethics and the clinical practice of marriage and family therapy. **Description:** AAMFT members are marriage and family therapists practicing in the US and Canada. **Priority Issues for 2009:** Improve the quality of mental health services by increasing access to well-trained marriage and family therapists

AMERICAN ASSOCIATION OF PASTORAL COUNSELORS [AAPC]

9504-A Lee Highway, Fairfax, VA 22031-2303

PHONE: 703/385-6967; FAX: 703/352-7725

WEB SITE: www.aapc.org

Douglas M. Ronsheim, DMin, Executive Director

Founding Date: 1964. **Membership Size:** 3,000. **Staff Size:** 5. **Number of State/ Local Chapters:** 10 regions. **Publications:** *Currents* (AAPC Newsletter); *Journeys* (AAPC Magazine). **Staff Participating in MHLG:** Douglas Ronsheim, Executive Director.

Organizational Purpose: AAPC was formally organized in 1963 in response to the need for leadership and standards for the involvement of religious organizations in mental health care. Since that time, the association has provided clarity in pastoral counseling practice and training, clinical certification, criteria for religious institutions in pastoral counseling ministry, and coordination with other mental health professions. **Description:** Pastoral counseling is a form of therapy or counseling in which a pastoral counselor, as a representative of a religious tradition or community, certified and/or licensed as a Behavioral Health professional utilizes the insights and principles of religion, theology and modern behavioral sciences in working with individuals, couples, families, groups, institutions and communities toward the achievement of wholeness and health. **Priority Issues for 2009:** Building “continuums of care”, post discharge from hospitals, utilizing Departments of Pastoral Care, Pastoral Counseling Centers and congregations thus linking the resources of larger health care systems to direct care providers in the context of faith communities and congregations; Expanding the Clergy Education and Training Project to provide Core Competencies for Clergy regarding alcohol and drug dependence, partners include National Association for Children of Alcoholics (NACoA), Johnson Institute with partial funding through SAMHSA; Working collaboratively with Family Communications Inc. producer’s of Mister Rogers Neighborhood, Pittsburgh, PA and National Association of Child Care Resource & Referral Agencies (NACCRRRA) Arlington, VA in implementing The Faith-Based CARES Project- An Interdisciplinary Intervention for the Management of Anger and Impulsive Behavior in Preschool Faith-Based Child Care Centers; Participate in the Men Get Depression National Educational Outreach Campaign. This is an effort to increase knowledge, reduce stigma, and promote screening and treatment for male depression.

AMERICAN ASSOCIATION OF PRACTICING PSYCHIATRISTS [AAPP]

10436 Snowpoint Drive, Bethesda, MD 20814

WEBSITE: www.aapp.md

Janis G. Chester, MD, President

Founding Date: 1990. **Membership Size:** 1,000. **Staff Size:** 2. **Publications:** Bi-monthly informational mailings to members. **Staff Participating in MHLG:** Janis Chester, MD; Jim Pyles.

Organizational Purpose: To further causes affecting delivery of appropriate psychiatric care to patients of practicing psychiatrists. **Description:** Membership composed of psychiatrists dedicated to preserving the centrality and sanctity of the patient/psychiatrist relationship, and protecting it from third party intrusions by government or insurance interests. **Priority Issues for 2009:** Maintaining patient privacy in electronic medical records; Maintaining the right to opt out of any national health care scheme for patients and physicians, i.e., the right to private practice; Advocating for meaningful parity legislation; Any other health care reform initiatives on the federal level; Litigation involving private practice psychiatrists and managed care companies; Other issues selected as critical by the board.

AMERICAN COUNSELING ASSOCIATION [ACA]

5999 Stevenson Avenue, Alexandria, VA 22304-3300

PHONE: 703/823-9800; FAX: 703/823-0252

WEB SITE: www.counseling.org

Richard Yep, Executive Director

Founding Date: 1952. **Membership Size:** 41,000. **Staff Size:** 55. **Number of State/Local Chapters:** 56. **Affiliated Organizations:** The Counseling and Human Development Foundation, ACA Insurance Trust, the American Counseling Association Foundation and the Council for Accreditation of Counseling and Related Educational Programs. **Annual Convention/Meeting:** March 19-23, 2009, in Charlotte, NC. **Publications:** Counseling Today; Journal of Counseling and Development; Journal of Mental Health Counseling; and 14 refereed scholarly journals. **Staff Participating in MHLG:** Scott Barstow, Director of Public Policy and Legislation; Peter Atlee, Legislative Representative.

Organizational Purpose: To enhance human development throughout the life span, to promote the counseling profession, and to educate policymakers regarding mental health issues. **Description:** ACA members are professional counselors who work in a wide variety of settings, including private practice, managed care plans, community mental health centers, educational settings, government correctional institutions and business. Organizational activities include leadership training, government relations and advocacy, research and professional development. ACA has 56 branches in the U.S. and abroad, 4 regional subdivisions and 17 member associations organized around specific interests and practice areas. **Priority Issues for 2009:** Full federal recognition of professional counselors as providers of mental health and substance abuse treatment services; Patient protection legislation; Medicare and Medicaid coverage issues; Education reform initiatives; School safety and health services; Funding of federal mental health and substance abuse treatment services and research programs; Expanding health insurance coverage.

AMERICAN GROUP PSYCHOTHERAPY ASSOCIATION [AGPA]

25 East 21st Street, 6th Floor, New York, NY 10010

PHONE: 212/477-2677; FAX: 212/979-6627

WEB SITE: www.agpa.org

Marsha S. Block, CAE, CFRE, Chief Executive Officer; Connie Concannon, MSW, CGP, FAGPA, President

Founding Date: 1942. **Membership Size:** 3,000+. **Number of State/Local Chapters:** 33. **Affiliated Organizations:** State and regional group psychotherapy societies. **Annual Convention/Meeting:** February 16-21, 2009, in Chicago, IL. **Publications:** International Journal of Group Psychotherapy and The Group Circle. **Staff Participating in MHLG:** Marsha S. Block, CAE, CFRE, Chief Executive Officer; Diane C. Feirman, CAE, Public Affairs Director; and Diana Marit Kunkel, PhD.

Organizational Purpose: AGPA is a multidisciplinary organization dedicated to advancing knowledge, research and training in group psychotherapy to benefit the client/patient population. The association promotes quality group psychotherapy care as a primary method of treatment that is clinically sound, cost-effective and accessible; advances group psychotherapy training and research; provides a network of peer support that serves the needs of group practitioners; advocates for quality care on behalf of its members, patients and the public. **Description:** AGPA serves as the national voice specific to the interests of group interventions. Psychiatrists, clinical psychologists, clinical social workers, psychiatric nurses, mental health counselors, drug and alcohol counselors and creative arts

therapists are part of the AGPA community that has been formulating theory and embracing practice in group interventions since 1942. Members and affiliate societies provide a wealth of professional, educational and social support for group psychotherapists. Publications disseminate the advances in group psychotherapy nationally and internationally. Annual conferences bring together experts in group psychotherapy from all over the world, providing state of the art education and research to these practitioners and sharing with them advocacy issues regarding the mentally ill and other public health issues. **Priority Issues for 2009:** Recognition of group psychotherapy as a core public health service; Community outreach efforts to provide group services as a means of building mentally healthy communities; Credentialing for group psychotherapists; Health care reform initiatives, particularly patient and confidentiality protections and behavioral health care research funding.

AMERICAN HOSPITAL ASSOCIATION [AHA]

Section for Psychiatric and Substance Abuse Services
1 North Franklin, 32nd Floor, Chicago, IL 60606
PHONE: 312/422-3303; FAX: 312/422-4590
Rich Umbdenstock, President

Founding Date: AHA in 1898, the Section for Psychiatric and Substance Abuse Services in 1969.

Section Membership Size: 1,300. **Staff Size:** 6. **Number of State/Local Chapters:** Contacts within each of the 50 states and numerous metropolitan hospital associations that deal with behavioral issues.

Annual Convention/Meeting: AHA Annual Meeting April 25-29, 2009. **Publications:** Monthly Membership briefings: “*Behavioral Health Updates*”; Case Examples on Ensuring Effective Triage of Psychiatric Patients in the Emergency Department; many other items found on the web site:

www.aha.org/psych. **Staff Participating in MHLG:** Rebecca Chickey, Director, Section for Psychiatric and Substance Abuse Services; Carlos Jackson, Associate Director, Federal Relations; Joanna Hiatt, Senior Associate Director, Policy Development.

Organizational Purpose: To promote high quality psychiatric and substance abuse care for all people through the development of public policy, representation and advocacy, and membership services to assist hospitals and health care organizations meet community mental health needs. **Description:** The section is composed of freestanding specialty hospitals and general hospitals offering psychiatric and/or substance abuse services through inpatient, outpatient and partial hospitalization programs, as well as hospital-based community mental health centers. The section is guided by a 16-member governing council of nationally-recognized administrators, physicians, nurses and other professionals involved in behavioral health care management. **Priority Issues for 2009:** Advocacy for reforming the nation's health care system; Expanding access to care and ensuring fair financing; Member services to provide tools to help behavioral health care providers.

AMERICAN MENTAL HEALTH COUNSELORS ASSOCIATION [AMHCA]

801 North Fairfax Street, Suite 304, Alexandria, VA 22314

PHONE: 703/548-6002; FAX: 703/548-4775

WEB SITE: www.amhca.org

W. Mark Hamilton, PhD, Executive Director and CEO; Gary Gintner, PhD, LPC, NCC, President

Founding Date: 1976. **Membership Size:** 8,000. **Staff Size:** 5. **Number of State/ Local Chapters:** 48. **Affiliated Organizations:** AMHCA Foundation. **Annual Convention/Meeting:** July 23-25, 2009, in Washington, DC. **Publications:** Journal of Mental Health Counseling; The Advocate, E-

News from Washington. **Staff Participating in MHLG:** Mark Hamilton, PhD, Executive Director and CEO.

Organizational Purpose: To enhance the profession of mental health counseling through licensing, advocacy, education, and professional development. **Description:** Members of AMHCA have a master's or doctoral degree in counseling or a related field and have completed a minimum of 2 years, 3000 hours of post-master's clinical supervision, and have passed a state licensure examination. Mental health counselors practice in a variety of settings including hospitals, substance abuse treatment centers, employee assistance plans, community mental health centers, agencies, and private practice. **Priority Issues for 2009:** Eliminate physician referral/supervision requirements under TRICARE; Medicare reimbursement for mental health counselors; Recognition of mental health counselors by the Department of Defense, FEHBP and other federal programs; Federal mental health parity; Health care reform initiatives, particularly patient and confidentiality protections and behavioral health care research funding.

AMERICAN NURSES ASSOCIATION [ANA]

8515 Georgia Avenue, Silver Spring, MD 20910

PHONE: 301/628-5098; FAX: 301/628-5348

WEB SITE: www.nursingworld.org

Linda J. Stierle, MSN, RN, NEA-BC, Chief Executive Officer; Rebecca M. Patton, MSN, RN, CNOR, President

Founding Date: 1896. **Membership Size:** Over 180,000. **Staff Size:** 150. **Number of State/Local Chapters:** 51 Constituent Member Associations. **Affiliated Organizations:** American Nurses Foundation; ANA Political Action Committee; American Nurses Credentialing Center; American Academy of Nursing. **Annual Convention/Meeting:** June 2010. **Publications:** Capitol Update, a monthly online newsletter on legislative and regulatory issues; The American Nurse, bimonthly circulation of nearly 200,000; American Nurse Today, monthly official Journal of the American Nurses Association, circulation of 175,000. **Staff Participating in MHLG:** Rose Gonzalez, Director, Government Affairs; Michelle Artz, Chief Associate Director, Government Affairs.

Organizational Purpose: The ANA is the only full service professional organization representing the interests of the nation's 2.9 million registered nurses through its 51 constituent member nurses associations, its 23 organizational affiliates, and its workforce advocacy affiliate, the Center for American Nurses. The ANA advances the nursing profession by fostering high standards of nursing practice, promoting the rights of nurses in the workplace, projecting a positive and realistic view of nursing, and by lobbying the Congress and regulatory agencies on health care issues affecting nurses and the public. **Description:** Individual members are registered nurses. Sixty two percent are staff nurses. Members are represented by their state nurses association. ANA is organized as a federation of state nurses associations, working through ANA congresses, committees, councils and ad hoc groups. **Priority Issues for 2009:** Ensuring that nurses are fully and appropriately recognized and incorporated in the federal health care reform efforts; Advancement of safe staffing legislation and legislation that would reduce barriers to practice for Advanced Practice Registered Nurses; Funding for Title VIII nursing workforce development programs.

AMERICAN OCCUPATIONAL THERAPY ASSOCIATION [AOTA]

PO Box 31220, 4720 Montgomery Lane, Bethesda, MD 20824-1220

WEB SITE: www.aota.org

Fred P. Somers, Executive Director; Penelope Moyers, PhD, OTR/L, FAOTA, President

Founding Date: 1917. **Membership Size:** 38,500. **Staff Size:** 85. **Number of State/Local Chapters:** 53. **Affiliated Organizations:** American Occupational Therapy Foundation; Assembly of State Association Presidents; and World Federation of Occupational Therapists. **Annual Convention/Meeting:** April 23-26, 2009, in Houston, TX. **Publications:** American Journal of Occupational Therapy; eleven special interest section quarterlies (including mental health, developmental disabilities, school systems and geriatrics); and OT Practice. **Staff Participating in MHLG:** Tim Nanof, Federal Affairs Manager; Ralph Kohl, Legislative Representative.

Organizational Purpose: To represent the interests and concerns of occupational therapy practitioners and to improve the quality of occupational therapy services. **Description:** Membership includes registered occupational therapists (OTs), certified occupational therapy assistants (OTAs), and occupational therapy students, operating through 50 state associations, the District of Columbia, Puerto Rico, Guam, and 65 foreign countries. AOTA has an extensive network of committees and special interest sections, including mental health, all of which have representation at the state level. The state associations and AOTA committees provide an established network for communicating with members through a weekly newsletter, a monthly professional journal, a bi-weekly professional practice magazine, and extensive continuing education activities. **Priority Issues for 2009:** Medicare, especially mental health coverage and partial hospitalization benefits; Implementation of IDEA and children's health and mental health programs including positive behavior supports; Implementation of parity legislation; Protecting access to care in Medicaid in schools and under the Rehabilitation Services Option.

AMERICAN PSYCHIATRIC ASSOCIATION [APA]

1000 Wilson Boulevard, Suite 1825, Arlington, VA 22209

PHONE: 703/907-7800; FAX: 703/907-1083

WEB SITE: www.psych.org

James Scully, MD, Medical Director

Founding Date: 1844. **Membership Size:** 38,000. **Staff Size:** 250. **Number of State/Local Chapters:** 76. **Annual Convention/Meeting:** May 16-21, 2009, in San Francisco, CA. **Publications:** Weekly federal and monthly state legislative newsletters; the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition (DSM-IV-TR); DSM-V (scheduled for publication in 2012); Psychiatric News; American Journal of Psychiatry; Hospital and Community Psychiatry. **Staff Participating in MHLG:** Lizbet Boroughs, Deputy Director, Federal Affairs; Michelle Dirst, Deputy Director, Senate Affairs; Paula Johnson, Deputy Director, State Affairs; Clare Koller, Deputy Director, House Affairs; Nicholas Meyers, Director, Government Relations; Matt Sturm, Associate Director, Congressional Affairs.

Organizational Purpose: A medical specialty society, the APA promotes the highest quality diagnosis, treatment, rehabilitation and care for the mentally ill, the mentally retarded and the emotionally disturbed, and facilitates the prevention of such conditions. **Description:** APA members include psychiatric physicians and psychiatric residents. APA objectives are to improve the treatment, rehabilitation and care of the mentally ill, the mentally retarded and the emotionally disturbed; promote research, professional education in psychiatry and allied fields and the prevention of psychiatric disabilities; advance the standards of all psychiatric services and facilities; foster the cooperation of all concerned with the medical, psychological, social and legal aspects of

mental health and illness; make psychiatric knowledge available to other practitioners of medicine, scientists in other fields of knowledge, and the public; and promote the best interests of patients and those actually or potentially using mental health services. **Priority Issues for 2009:** Health care reform; Implementation of mental health parity and ensuring non-discriminatory coverage of treatment for mental illness, including substance abuse; Sustained growth of funding for psychiatric biomedical and behavior research and services; Stringent protection of medical records privacy, particularly psychotherapy records; Implementing the elimination of Medicare's discriminatory 50% copayment for outpatient psychiatric treatment; Medicare coverage of mental health services, including coverage of psychotropic medications in Part D prescription drug plans and elimination of discriminatory 190-day lifetime reserve limit on inpatient care in psychiatric hospitals; Children's health and related issues; Department of Veterans Affairs medical care and health research appropriations; Indian Health Services appropriations; Enactment of strong laws to protect patients and physicians from abusive managed care practices, specifically including enabling patients to sue health plans for malpractice and establishing nondiscriminatory utilization review criteria; Promote necessary mental health structure for preparing and responding to terrorism.

AMERICAN PSYCHIATRIC NURSES ASSOCIATION [APNA]

1555 Wilson Boulevard, Suite 530, Arlington, VA 22209

PHONE: 703/243-2443; FAX: 703/243-3390;

WEB SITE: www.apna.org

Nicholas Croce, Jr., MS, Executive Director; Jeanne Clement, EdD, APRN, BC, FAAN, President

Founding Date: 1987. **Membership Size:** 6,100. **Staff Size:** 6. **Number of State and International Chapters:** 35. **Annual Convention/Meeting:** October 7-10, 2009, in Charleston, SC. **Publications:** APNA News newsletter; Journal of the American Psychiatric Nurses Association. **Staff Participating in MHLG:** Nicholas Croce.

Organizational Purpose: APNA provides leadership to advance psychiatric/mental health nursing practice, improve mental health care for culturally diverse individuals, families, groups and communities and shape health policy for the delivery of mental health services. **Description:** APNA membership encompasses all levels of psychiatric-mental health nursing, from the basic level prepared nurse (staff nurse) to the advance practice level (Nurse Practitioners and Clinical Nurse Specialists). 60% of members are advanced practice nurses with a master's degree. Approximately 7% hold doctoral degrees and work as researchers or faculty members. Members practice in a wide variety of capacities and settings throughout the US with such diverse responsibilities and position titles as clinical nurse specialist, nurse practitioner, manager/head nurse, educator, administrator, director or vice president of nursing, staff nurse, therapist, researcher and consultant. The majority of APNA members specialize in adult mental health, and many are also involved in subspecialties such as substance abuse, geriatric mental health or child and adolescent mental health. Advance practice psychiatric nurses have prescriptive privileges in 38 states. **Priority Issues for 2009:** Tobacco dependence; Work place violence; Seclusion/restraint; Chronobiology of sleep.

AMERICAN PSYCHOANALYTIC ASSOCIATION [APsA]

309 East 49th Street, New York, NY 10017

PHONE: 212/752-0450; FAX: 212/593-0571

Dean K. Stein, Executive Director; Prudy Gourguechon, MD, President

Founding Date: 1911. **Membership Size:** 3,300. **Staff Size:** 14. **Number of State/ Local Chapters:** 29 affiliate training institutes; 45 affiliate societies and study groups; 7 study groups. **Affiliated Organizations:** 29 accredited institutes; 42 affiliated societies; 7 study groups. **National Convention/ Meeting:** January 13-17, 2009, in New York, NY. **Publications:** The American Psychoanalyst (TAP); Journal of the American Psychoanalytic Association (JAPA); Ethics Case Book. **Staff Participating in MHLG:** James Pyles, Legislative Counsel, Washington, DC; Dottie Jeffries, Director of Public Affairs in New York.

Organizational Purpose: To study and advance psychoanalysis and psychotherapy, advocate and maintain standards for the training of psychoanalysts and for the practice of psychoanalysis, foster the integration of psychoanalysis with other branches of science, and encourage research in all fields having to do with the scientific knowledge and welfare of man. **Description:** Members are graduates or candidates at accredited institutes. The Board of Directors is an Executive Council, and a Board on Professional Standards sets and maintains standards for training. **Priority Issues for 2009:** Ensuring that the use and disclosure of mental health information is consistent with professional ethics standards and judgment, state and federal privacy and privilege laws and the privacy protections under the HIPAA Privacy Rule; Preservation of essential conditions for effective psychoanalysis and intensive psychotherapy; Confidentiality, privacy, security and continuity of treatment relationships; Patient participation in treatment decisions; Freedom of patient and therapist to contract for services on a self-paying basis outside the insurance reimbursement system. Additional mental health care issues including nondiscriminatory coverage for mental illness in health care reform; Soldiers and Veterans Initiative (SVI) which adds a psychoanalytic voice to the public's response to a growing mental health crisis among soldiers, veterans and their families – a crisis that is widely recognized by policy and mental health experts.

Organizational Purpose: To provide education, support and advocacy for Partial Hospitalization and Intensive Outpatient Programs. **Priority Issues for 2009:** Medicare Partial Hospitalization and Intensive Outpatient Programs benefits; Educating, supporting and advocating for PHP/IOP; Partial Hospitalization Stabilization Act.

ASSOCIATION FOR THE ADVANCEMENT OF PSYCHOLOGY [AAP]

PO Box 38129, Colorado Springs, CO 80937

PHONE: 719/520-0688; FAX: 719/520-0375

Stephen M. Pfeiffer, PhD, Executive Director; Jennifer F. Kelly, PhD, Board Chair

Founding Date: 1974. **Membership Size:** 3,000. **Staff Size:** 2. **Annual Convention/ Meeting:** August 2008 in Boston, MA. **Publications:** Advance newsletter. **Staff Participating in MHLG:** Steve Pfeiffer; Jean Carter.

Organizational Purpose: The purpose of AAP is to promote human welfare through the advancement of the profession and science of psychology. It promotes the interests of all psychologists by means including, but not limited to: representation of psychologists before public and governmental bodies; cooperation with other organizations and agencies in furtherance of the profession and science of psychology; and support and operation of a political committee as a "separate segregated fund" within the meaning of the Federal Election Campaign Act of 1971 as amended. **Description:** Membership is divided into four classes: regular, associate, student and organizational. There is one 6-member Board of Trustees serving terms of 4 years. The Chair of the Board and Secretary-Treasurer are elected from and by the Board. **Priority Issues for 2009:** Advocacy for a broad range of psychological services within mental health programs; Health care reform legislation; Full mental health parity coverage in private and public health insurance programs; Inclusion of training graduate psychologists in Medicare Graduate Medical Education program; Continuation of the federal mental health courts project through 2009; Neutralizing legislation that would exempt Association Health Plans from state laws that protect mental health consumers.

ASSOCIATION FOR BEHAVIORAL HEALTH AND WELLNESS [ABHW] (Formerly AMBHA)

1101 Pennsylvania Avenue, NW, Sixth Floor, Washington, DC 20004

PHONE: 202/756-7726; FAX: 202/756-7308

WEB SITE: www.abhw.org

Pamela Greenberg, MPP, President and CEO; Jay Roundy, MA, DPA, Aetna Behavioral Health, Chair of Board

Founding Date: 1994. **Membership Size:** 9. **Staff Size:** 1. **Annual Convention/Meeting:** Board meetings twice a year. **Publications:** A catalogue of special reports and studies is available. **Staff Participating in MHLG:** Pamela Greenberg, MPP, President and CEO.

Organizational Purpose: ABHW is an association of the nation's leading behavioral health and wellness companies these companies provide an array of services related to mental health, substance use, employee assistance, disease management, and other health and wellness programs to over 147 million people in both the public and private sectors. ABHW seeks to present and promote the industry perspective in federal and state legislative and regulatory actions, and is working to foster a broad understanding of specialty behavioral health care's ability to deliver accessible, quality, cost-effective care. The association maintains an office and staff in Washington, DC and represents the industry to federal and state governments, mental health and substance abuse providers, associations and other key audiences. ABHW supports and promotes the need for comprehensive specialty behavioral care benefits in all private and public health care programs, including Medicare and Medicaid.

Description: ABHW members collectively provide behavioral health care benefits to over 147 million people. **Priority Issues for 2009:** Mental health parity regulations; Health care reform.

BAZELON CENTER FOR MENTAL HEALTH LAW

1101 15th Street, NW, Suite 1212, Washington, DC 20005

PHONE: 202/467-5730; FAX: 202/223-0409

WEB SITE: www.bazelon.org

Robert Bernstein, PhD, Executive Director

Founding Date: 1972. **Staff Size:** 25. **Publications:** Legislative alerts and public policy reports on key federal and state issues. **Staff Participating in MHLG:** Laurel Stine, Director of Federal Relations; Allison Wishon, Policy Associate.

Organizational Purpose: To create opportunities in the community for people with mental disabilities so that they have choices that will enable them to self-determine and live with dignity.

Description: The Judge David L. Bazelon Center for Mental Health Law is a national nonprofit advocacy organization, formed in 1972 and until 1993 called the Mental Health Law Project. The Center uses litigation and federal policy reform to define and uphold the legal rights of children, adults and elders with mental disabilities and to create approaches to meeting their needs that will assure them choice and dignity. Staff attorneys provide training and technical assistance to legal services, protection and advocacy and state ombudsman programs and other advocates for low-income individuals and families. Policy staff lobby Congress and federal agencies and provide technical assistance to state-based advocates and policy makers concerning rights of persons with mental illness. The Center publishes issue papers, booklets and manuals explaining and interpreting major federal laws and regulations that protect the rights and make resources available to children and adults with disabilities. **Priority Issues for 2009:** Maintaining and improving Medicaid coverage of mental health; Health care reform; Eliminating criminalization of adults and juveniles with mental illness; Improving access to community mental health services; Reauthorization of the Substance Abuse and Mental Health Services authority; Protecting civil rights and autonomous decision making for consumers.

CENTER FOR CLINICAL SOCIAL WORK (Formerly the American Board of Examiners)

27 Congress Street, Suite 501, Salem, MA 01970

PHONE: 800/694-5285; FAX: 978/740-5395

WEBSITE: www.Centercsw.org

Robert Booth, Executive Director; Howard Snooks, President

Founding Date: 1987. **Membership Size:** 9,000. **Staff Size:** 5. **Affiliated Organizations:** New York, Ohio (southern), California, Maryland, Illinois, and Louisiana state associations for clinical social work. **Staff Participating in MHLG:** Robert Booth; Adm. Peter Delany; Anne Claiborne, Esq.

Organizational Purpose: Promotion of Clinical Social Work, standards for practice. **Description:** The Center for Clinical Social Work, which includes the American Board of Examiners in Clinical Social Work (ABE), is a national not-for-profit organization whose main purposes are to promote mental healthcare and Clinical Social Work as a profession and to advance it in all settings by developing practice standards and credentials, advocating for practitioners and their clients, and enhancing opportunities for research, education, and training. ABE issues and upholds national certifications for Clinical Social Workers in advanced-generalist practice (the BCD), Psychoanalysis, Clinical Supervision, and Practice With Children & Their Families. **Priority Issues for 2009:** Mental health parity; Greater recognition of Clinical Social Work profession, especially at the federal level and in the healthcare reform efforts of Congress and the Administration.

CHILD WELFARE LEAGUE OF AMERICA [CWLA]

2345 Crystal Drive, Suite 250, Arlington, VA 22202

PHONE: 703/412-2400; FAX: 703/412-2401

WEB SITE: www.cwla.org

Christine James-Brown, President and Chief Executive Officer

Founding Date: 1920. **Membership Size:** 650 public and private child-serving agencies. **Staff Size:** 55. **Number of State/Local Chapters:** N/A. **Annual Convention/Meeting:** CWLA Annual National Conference, "Children 2009: Children Today...America's Future!" February 23-29, 2009, Marriott Wardman Park Hotel in Washington, DC. **Publications:** Child Welfare Journal; Children's Voice Magazine; Children's Monitor E-Newsletter; Standards for Child Welfare Services. **Staff Participating in MHLG:** Laura Weidner, Government Affairs Associate; Julie Collins, Director of Practice Excellence.

Organizational Purpose: To make children and families a national priority. This is done by building public will to ensure safety, permanence, and well-being of children, youth, and their families; by advancing public policy; by defining and promoting practice excellence; and by delivering superior membership services. **Description:** CWLA is the nation's oldest and largest membership-based child welfare organization. Working with and through its member agencies, CWLA is committed to developing and disseminating practice standards as benchmarks for high-quality services that protect children and youths and strengthen families and neighborhoods, to promoting high-quality services through training, consultation, conferences, publications, and other membership services, and to formulating and promoting public policies at every level that contribute to the well-being of children, youths, families and neighborhoods. **Priority Issues for 2009:** 1) Protect the use of Medicaid Targeted Case Management and Rehabilitative Services to facilitate greater provision of health and mental health services to the child welfare population. 2) Increase federal support for mental health and substance abuse research and treatment services. 3) Ensure

that as a part of health reform, the needs of children and youth are addressed and that in particular, health services for children and youth in foster care are improved. 4) Improve health services for youth transitioning out of foster care by urging the extension of Medicaid coverage to at least age 21 and passage of the Health Transition Act. 5) Re-establish the White House Conference for Children and Youth in 2010 as a means to improving the physical and mental health care of vulnerable children and youth.

CHILDREN AND ADULTS WITH ATTENTION-DEFICIT/HYPERACTIVITY DISORDER [CHADD]

8181 Professional Place, Suite 150, Landover, MD 20785

PHONE: 301/306-7070; FAX: 301/306-7090

WEB SITE: www.chadd.org

E. Clarke Ross, DPA, Chief Executive Officer; Marie Paxson, President

Founding Date: 1987. **Membership Size:** 12,000. **Staff Size:** 28. **Number of State/Local Chapters:** 200. **Annual Convention/Meeting:** October 8-10, 2009, in Cleveland, OH. **Publications:** Attention; NRC News; CHADD What We Know Sheets; Leadership Update; legislative alerts. **Staff Participating in MHLG:** E. Clarke Ross, DPA, Chief Executive Officer; Cindy Smith, MS, CAS, JD, Public Policy Specialist.

Organizational Purpose: CHADD is the leading national nonprofit organization that works to improve the lives of people affected by attention-deficit/hyperactivity disorder (AD/HD) through education, research, advocacy and support. **Description:** Members include parents, adults with AD/HD, educators, health care providers, including psychiatrists and pediatricians, clinical psychologists, and neurologists. **Priority Issues for 2009:** Issues related to the NCLB; Implementation of Mental Health Parity Act; Appropriations for CDC, CMHS, and NIMH; Restrictions on access to psychiatric medications and behavioral interventions; Implementation of the recommendations of the July 2003 Report of the President's New Freedom Commission on Mental Health; SAMHSA reauthorization; Health insurance for college students with disabilities; Implementation of Americans with Disabilities Amendments Act; Juvenile Justice.

CLINICAL SOCIAL WORK ASSOCIATION [CSWA] (Formerly CSWF)

PO Box 3740, Arlington, VA 22203

PHONE: 202/966-6649 (DC); 206/524-3690 (Seattle)

FAX: 253/322-4696 (DC); 206/368-9390 (Seattle)

WEB SITE: www.clinicalsocialworkassociation.org

Kevin Host, LICSW, President

Founding Date: 1971. **Membership Size:** 750. **Staff Size:** 3. **Number of State/Local Chapters:** 15. **Affiliated Organizations:** State Societies for Clinical Social Work (in many states). **Open Board Meetings:** Bi-Annual. **Publications:** Newsletter to membership. **Staff Participating in MHLG:** Margot Aronson, LICSW, CSWA Representative; Laura Groshong, LICSW, Director of Government Relations.

Organizational Purpose: To develop and promote appropriate standards of clinical social work training and practice, to advocate for universal state licensing, and to advance the interests of clinical social workers and their clients in state and federal mental health programs. **Description:** An association of individual members who are clinical social workers in private settings, clinical settings,

public mental health settings, hospitals and schools. **Priority Issues for 2009:** To advance the interest of clinical social workers and their patients in state and federal health care reform initiatives, especially managed care reform and development of health information technology standards and policy.

CLINICAL SOCIAL WORK GUILD 49, OPEIU [CSWG]

McDermott, Will & Emery, 600 13th Street, NW, Washington, DC 20005

PHONE: 202/756-8348; FAX: 202/756-8087

Renee Cardone, President

Founding Date: 2001. **Membership Size:** 400. **Staff Size:** 1. **Number of State/Local Chapters:** 2. **Affiliated Organizations:** AFL-CIO/National Guild of Medical Professionals. **Annual Convention/Meeting:** TBD. **Publications:** Newsletters published by state chapters. **Staff Participating in MHLG:** Calvin Johnson; Luba Shagawat.

Organizational Purpose: The Clinical Social Work Guild 49, OPEIU exists to advocate for the interests of clinical social workers and their clients. It was formed and continues to exist to address the real and potential abuses of a profit-driven system for the delivery of mental health care and the attendant abuses that may be perpetrated on clinical social work professionals, their practices/agencies, and their clients. Those abuses may include, for example, devaluing professional fees, arbitrary numbers of treatment episodes, inappropriate safeguards of clients' privacy, decisions based on profit rather than care. **Description:** Members of the Guild have a minimum requirement of a Master of Social Work (MSW) degree, except for student members who are in an MSW program at the time of application. Most members have post graduate training, including PhDs and DSWs. All members practice clinical social work either in private practice or agency and hospital settings. **Priority Issues for 2009:** The right to negotiate collectively with insurance companies; Parity; Medicare; Confidentiality of medical records; Adequate and professional mental health care for military and their families.

DEPRESSION AND BIPOLAR SUPPORT ALLIANCE [DBSA]

730 North Franklin Street, Suite 501, Chicago, IL 60610-3526

PHONE: 800/826-3632 or 312/642-0049; FAX: 312/642-7243

WEB SITE: www.DBSAAlliance.org

Sue Bergeson, President

Founding Date: 1985. **Membership Size:** N/A. **Staff Size:** 18. **Number of State/Local Chapters:** 450 chapters, 17 state organizations and more than 1,000 support groups across the U.S. and Canada. **Annual Convention/Meeting:** National Conference September 10-13, 2009, in Indianapolis, IN. **Publications:** Quarterly newsletter; e-updates, legislative advocacy alerts; free public information packets; brochures; videos. **Staff Participating in MHLG:** Gloria Pope, Advocacy and Public Policy Director in Chicago; Jim McNulty.

Organizational Purpose: DBSA is the leading patient-directed organization focusing on the nation's most prevalent mental illnesses – depression and bipolar disorder. DBSA's mission is to improve the lives of people living with mood disorders. **Description:** This not-for-profit organization fosters an environment of understanding about the impact and management of these life-threatening illnesses, by providing up-to-date educational information and more than 1,000 peer-run support groups across the country. Assisted by a Scientific Advisory Board, comprised of the leading researchers and clinicians in the field of mood disorders, DBSA supports research to promote more timely diagnosis, to develop

more effective and tolerable treatments and to discover a cure. The organization works to ensure that people living with mood disorders are treated equitably. Over five million people request and receive information and assistance from DBSA each year. More information can be found at www.DBSAAlliance.org or by calling 1/800-826-3632. **Priority Issues for 2009:** Eliminating stigma; Achieving parity in access and insurance; Recovery through peer-to-peer services; Increasing funding for mental health research; Protecting patient confidentiality; Managed care reform; Supporting treatment for co-occurring illnesses; Ensuring adequate disability benefit coverage.

EATING DISORDERS COALITION FOR RESEARCH, POLICY & ACTION [EDC]

WEB SITE: www.nami.org

Mike Fitzpatrick, Executive Director

Founding Date: 1979. **Membership Size:** 210,000. **Staff Size:** 65. **Number of State/Local Chapters:** 1,200. **Affiliated Organizations:** All state and local Alliances. **Annual Convention/Meeting:** July 6-9, 2009, in San Francisco, CA. **Publications:** NAMI Advocate. **Staff Participating in MHLG:** Ron Honberg, National Director for Policy and Legal Affairs; Andrew Sperling, Director, Federal Legislative Advocacy; Laura Usher, Federal Affairs Representative; Darcy Gruttadaro, Director, NAMI Child and Adolescent Action Center.

Organizational Purpose: To eradicate serious brain disorders and improve the quality of life for persons of all ages who are affected by mental illness. **Description:** Comprised of 1,200 state and local AMIs; state and local AMIs are the grassroots advocacy of NAMI. **Priority Issues for 2009:** Medicaid/managed care; Research on severe mental illness; Reduction in life threatening and harmful actions (restraints and seclusion); Accountability for service delivery; Implementation of the new federal parity law; Work incentives; Housing; Expanding treatment and supports for children and adolescents; Decriminalization of mental illness; Integrated treatment for persons with co-occurring mental and addictive disorders; Veterans with mental illness.

NATIONAL ALLIANCE TO END HOMELESSNESS [The Alliance]

1518 K Street, NW, Suite 410, Washington, DC 20005

PHONE: 202/638-1526; FAX: 202/638-4664

WEB SITE: www.endhomelessness.org

Nan Roman, President

Founding Date: 1983. **Membership Size:** 7,000. **Staff Size:** 22. **Number of State/Local Chapters:** 0. **Annual Convention/Meeting:** July 29-31, 2009, in Washington, DC. **Publications:** Alliance Online news – this is a weekly online newsletter. We also periodically publish best practice profiles and policy papers on a variety of subjects. **Staff Participating in MHLG:** Peggy Bailey, Health Policy and Program Analyst.

Organizational Purpose: The National Alliance to End Homelessness is a nonpartisan, mission-driven organization committed to preventing and ending homelessness in the United States. **Description:** The National Alliance to End Homelessness is a leading voice on the issue of homelessness. The Alliance analyzes policy and develops pragmatic, cost-effective policy solutions. We work collaboratively with the public, private, and nonprofit sectors to build state and local capacity, leading to stronger programs and policies that help homeless individuals and families make positive changes in their lives. We provide data and research to policymakers and elected officials in order to inform policy debates and educate the public and opinion leaders nationwide. **Priority Issues for 2009:** HUD/McKinney Vento programs; Preserving Section 8 vouchers; SAMHSA reauthorization; Increasing funding within SAMHSA programs, in particular, funding for mental health and substance use treatment and other services administered by permanent supportive housing programs; Authorizing the Services for Ending Long-Term Homelessness Act (SELHA). In addition, a major focus of our organization is also making sure mainstream systems can provide services that prevent homelessness. Therefore, we track and advocate for a variety of Health and Human Services Department programs including Medicaid, TANF, most SAMHSA programs, Community Health Centers and health care for the homeless funding.

Mark Mitchell, President

Founding Date: 1977. **Membership Size:** 300+ individuals, 125 organizations. **Staff Size:** 1. **Annual Convention/Meeting:** August 6-9, 2008, in Burlington, VT; June 17-20, 2009, in Albuquerque, NM. **Publications:** Rural Mental Health Journal. **Staff Participating in MHLG:**

Tony Pollitt, DC Representative; Harold Goldsmith, Government Affairs Liaison; Nancy Speck, Board Member.

Organizational Purpose: Provides rural providers, consumers and advocates a forum to share problems, find solutions and work cooperatively, and to improve rural mental health services; improves delivery of mental health services in rural areas; reduces inequities in the delivery of rural mental health services via promotion and advocacy; develops educational resources and disseminates information on rural mental health; sponsors an annual national rural mental health conference to link rural professionals and provide rural education. **Description:** NARMH membership is diverse, representing direct care, policy, academic, hospital and community based organizations, as well as individuals involved in professional practice in rural mental health. The organization provides a forum for the identification of rural mental health issues and problems, shares innovative solutions and model programs, and speaks with a shared voice on issues of rural mental health concern. NARMH's values include partnership, diversity, education, advocacy and innovation. **Priority Issues for 2009:** Increasing consumer and family involvement in the development and implementation of rural mental health services; ensuring that rural mental health professionals develop and maintain a high level of clinical service delivery, practice management and cultural competence; increasing understanding of the costs associated with providing rural mental health services, dissemination of the successes of rural mental health models, as well as communicating how changes in public policy or financing affect rural mental health; and connecting the rural mental health community electronically, organizationally and politically.

NATIONAL ASSOCIATION OF ANOREXIA NERVOSA AND ASSOCIATED DISORDERS
[ANAD]

Box 7, Highland Park, IL 60035
PHONE: 847/831-3438; FAX: 847/831-3765
WEB SITE: www.anad.org
Vivian Hanson Meehan, President

Founding Date: 1976. **Membership Size:** 15,000+. **Staff Size:** 8. **Number of State/Local Chapters:** 400+ national and international chapters. **Publications:** Working Together, newsletter. **Staff Participating in MHLG:** Tiffany Smith and Peter Bennett in Washington, DC; Christopher Athas, Vice President, and Mary Elsner, Former Director of Advocacy and Government Affairs, in Highland Park, IL.

Organizational Purpose: ANAD is a national/international educational and advocacy organization dedicated to helping sufferers of eating disorders and their families. ANAD advocates prevention through education, research and training and fights insurance and job discrimination. **Description:** ANAD members include concerned individuals, health care professionals, support group leaders and members and resource people. **Priority Issues for 2009:** Health care reform; Medicare two-year waiting period; Mental health parity legislation that specifically covers eating disorders; Appropriations for eating disorders research and prevention; Education/prevention programs; Development of ANAD support groups; Opposing BMI testing for school children.

NATIONAL ASSOCIATION OF COUNTY BEHAVIORAL HEALTH AND
DEVELOPMENTAL DISABILITY DIRECTORS [NACBHDD]

25 Massachusetts Avenue, NW, Suite 500, Washington, DC 20001
PHONE: 202/661-8816; FAX: 202/661-8871

WEB SITE: www.nacbhdd.org

Leon Evans, Chair; Ellen Witman, Executive Director

Founding Date: 1996. **Membership Size:** 450. **Staff Size:** 3. **Number of State/Local Chapters:** 18. **Annual Convention/Meeting:** Legislative Conference, Washington, DC. **Publications:** The NACBHDD Newsletter; DC Update. **Staff Participating in MHLG:** Ellen Witman, Executive Director; Melissa Stein, Legislative Assistant.

Organizational Purpose: To assure that national policy and funding recognizes and supports county and other local government authorities that are responsible for the development and management of publicly funded systems of care for people affected by mental illness, addiction, and developmental disabilities. **Description:** County/local behavioral health care authorities (MH/DD/SA); state associations in the states in which counties have responsibility for these systems; interested professionals. Annual legislative and policy conference each year, newsletter, professional development network, policy briefs. NACBHDD is an affiliate of the National Association of Counties (NACo). **Priority Issues for 2009: Medicaid:** 1) NACBHDD opposes any restrictions in the federal financing of Medicaid that shifts costs to states and localities, placing further stress on local systems of care. 2) NACBHDD supports legislative or administrative action to repeal the following Medicaid regulations restricting services: Public Provider Cost Limit Regulation Final Rule; Rehabilitative Services Option Proposed Rule; Case Management Interim Final Rule; Graduate Medical Education Proposed Rule; School Based Administration and Transportation Final Rule; Clarification of Outpatient Clinic and Hospital Facility Services and Upper Payment Limit Proposed Rule; Provider Tax Final Rule. 3) NACBHDD works to strengthen the county partnership with the Centers for Medicare and Medicaid Services. **Housing:** NACBHDD seeks increased funding for permanent housing programs under the McKinney-Vento Act as well as Section 811 supportive housing. **Veterans:** NACBHDD seeks opportunities to work with Congress and the Department of Veterans Affairs (VA) to address the behavioral health treatment needs of veterans and their families. Where possible, NACBHDD will work with the VA to ensure resources, training and care planning are coordinated with existing local systems of care and ensure veterans and their families receive accessible, timely service. **Justice:** 1) NACBHDD supports the use of federal, state, and local resources to assist communities in developing crisis intervention teams (CIT), and mental health, drug, and veteran courts. 2) NACBHDD supports reducing recidivism through public safety diversion initiatives. 3) NACBHDD wants expanded resources and opportunities for the Mentally Ill Offender Treatment and Crime Reduction Act (MIOTCRA) and the Second Chance Act. 4) NACBHDD supports reauthorization of the Juvenile Justice Act.

NATIONAL ASSOCIATION OF MENTAL HEALTH PLANNING AND ADVISORY COUNCILS [NAMHPAC]

2000 North Beauregard Street, Sixth Floor, Alexandria, VA 22311

PHONE: 703/797-2595; FAX: 703/684-5968

Howard M. Rieger, President & Chief Executive Officer

Founding Date: 1999 merger of two parts founded in 1935 (Council of Jewish Federations) & 1945 (United Jewish Appeal). **Membership Size:** 157 Jewish Federations. **Staff Size:** 220. **Number of State/Local Chapters:** 157 Federations, 400 Independent Communities. **Affiliated Organizations:** Association of Jewish Family & Children's Agencies (AJFCA); Association of Jewish Aging Services of North America (AJAS); International Association of Jewish Vocational Services (IAJVS); Jewish Community Centers Association of North America (JCCA); and hundreds of local hospitals, nursing homes, Jewish family & Children's services. **Annual Convention/Meeting:** UJC General Assembly November 8-11, 2009, in Washington, DC. **Publications:** Internal E-mail Distribution; UJC Washington newsletter. **Staff Participating in MHLG:** Jonathan S. Westin, Assistant Director for Legislative Affairs.

Organizational Purpose: United Jewish Communities (UJC) represents 157 Jewish Federations and 400 independent communities across North America. UJC provides life-saving and life-enhancing humanitarian assistance to those in need, and translates Jewish values into social action on behalf of millions of Jews in hundreds of communities in North America, in towns and villages throughout Israel, in the former Soviet Union, and 60 countries around the world. Through the Israel Emergency Campaign, UJC and the Jewish Federations of North America are providing economic, social, human welfare and other types of support to Israelis and victims of terror as they strive to lead normal lives during a period of extreme difficulty. **Description:** Federations are local planning and fundraising conveyors for the local Jewish Communities. They fund and provide research for Jewish family and children's services for which mental health services are the most important public policy priorities. Additionally, Jewish aging facilities and hospitals provide acute and long-term care behavioral health services. **Priority Issues for 2009:** Health reform; Long-term care alternatives; Senior transportation; Aging in Place; Defending affordable housing; Rapid and effective disaster relief; Supporting Emergency Food & Shelter Program (EFSP); Disability issues.

PHONE: 202/638-1144; FAX: 202/638-0851

WEB SITE: www.zerotothree.org

Matthew E. Melmed, JD, Executive Director

Founding Date: 1977. **Membership Size:** N/A. **Staff Size:** 90. **Number of State/Local Chapters:** N/A. **Affiliated Organizations:** Early Head Start National Resource Center; National Infant and Toddler Child Care Initiative. **Annual Convention/Meeting:** December 4-6, 2009. **Publications:** ZERO TO THREE Journal (bi-monthly); periodic research-based publications, books, articles, etc. **Staff Participating in MHLG:** Janine Kossen, Federal Policy Manager; Patty Cole, Government Relations Consultant.

Organizational Purpose: Our mission is to promote the health and development of infants and toddlers. **Description:** We are a national, nonprofit organization that informs, trains and supports professionals, policymakers and parents in their efforts to improve the lives of infants and toddlers. We train professionals and build networks of leaders. We influence policies and practice. We raise public

understanding of early childhood issues. All our work is grounded in research and experience, multidisciplinary, collaborative, culturally responsive, clinically informed, and accessible.

Priority Issues for 2009:

- Infant and early childhood mental health (SAMHSA reauthorization, broader health care reform efforts)
- Early care and education (Early Head Start regulations and implementation, Child Care and Development Block Grant, Early Learning Challenge Grants, No Child Left Behind, home visiting, early intervention)
- Child abuse and neglect (reauthorizations of the Child Abuse Prevention and Treatment Act and the Juvenile Justice and Delinquency Prevention Act)
- Implementation of the American Recovery and Reinvestment Act provisions
- Children's nutrition (reauthorizations of WIC and the Child and Adult Care Food Program)
- Budget and Appropriations
